# FOREWORD

## **Our Invitation to the N. W. Mo. Sale**

We most cordially invite you to attend our spring show and sale if you are interested in good livestock.

The Northwest Missouri Shorthorn Association sales have been recognized for many years as one of the good sales in the state of Missouri and the members of the association are now using some of the best herd bulls to be found anywhere.

The 28 bulls to be offered include a few that have been in service in good herds and they are nearly all old enough for heavy use. You can find females in the offering to fill your needs, whatever they may be—cows with calves, bred heifers, open heifers, just ready to breed and we are selling several groups of younger open heifers that are real attractive.

Come and spend the day with us and visit and talk “shop” with your friends who are also boosters of a fine breed of cattle.

# GENERAL INFORMATION

---

**LOCATION**—The show and sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, South part of Maryville, Missouri, on Monday, March 28, 1966.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bangs, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy who cannot be present, may send bids to Bill Stunkel, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to William Hartman, the sale manager.

**ROAN ROBIN MERCURY** is a very deep, thick calf who stands on good legs and feet. He placed well at the American Royal with very little fitting. Wm. Diggs of Hamburg, Iowa, bought a full brother to this calf in the 1964 sale. Dale Bellows said he was one of the best bulls ever sold in one of our sales. I think this calf is equally as good. I have been using this bull some myself.

**ROAN ROBIN LEADER** is one of the best prospects for a breeding bull that I have ever produced. He is a dark red, thick-hided, good on both ends, true in his lines, plenty of bone and has good legs and feet. I have been using this bull on some of my choice heifers. Harold Rasmussen, Goldfield, Iowa, said the dam of this bull was the best calf ever dropped on his farm. She has proved to be just that.
